Be Sure To Attend 5th Annual TVH Convention in Chicago!

DECEMBER 8, 9, 10, 11 will be **RED LETTER DAYS** in Chicago, Illinois! those days will mark the convening of the 5th Annual TVH Convention, which will be held in the CHICAGO GOSPEL TABERNACLE, at the 3100 block of North Clarke Street, Chicago, Illinois.

Each of the TVH conventions in the past has been an outstanding success and has attracted great numbers of ministers, as well as lay members, from many parts of the country.

* * * * *

It would be advisable for those attending to make their reservations at once. See information concerning reservations below:

* * * * *

On the front page of THE VOICE OF HEALING are photographs of our associates, many of whom will be speakers at the Convention. In addition to these, other outstanding evangelists will be participating in the services. We have fine letters, from several Full Gospel organizations, announcing that some of their leaders will be present.

We recall each VOICE OF HEALING Convention as a time when God has singularly blessed. Each day several of the evangelists will minister to the sick, and a great Holy Ghost Rally will be held on Thursday at 7:30 p.m.

THERE WILL BE THREE GREAT SERVICES DAILY
10:00 A.M. 2:00 P.M. 7:30 P.M.

Many pastors have written us desiring to secure TVH evangelists for campaigns in their city. We, of course, at TVH office make no arrangements for the evangelists, believing that the Spirit of God should lead each one. The Convention would be a most excellent opportunity for pastors to hear the different evangelists, as well as to meet them personally, and each pastor can make his own arrangements to secure their services for his church and community.

New Stations Added To TVH Radio Broadcast

WE WISH to call to our reader's attention that we have several new station outlets to our broadcast and are adding new ones from month to month.

Below is a list of stations added in the past two months. Notice, in our larger log, that we now have outlets in quite a few of the larger metropolitan areas. We hope to have our program in all the larger cities in the near future. In the meantime, we expect to add outlets in the smaller communities.

This is, of course, a work of faith. Why not sponsor a program in your community? There is no other program like it, where you can hear the voices of many of the nation's greatest evangelists from week to week.

Let us hear from you at once.

1700 People Have Pledged Themselves To Participate in World Prayer Crusade

WE ARE HAPPY TO ANNOUNCE that, at the moment of writing, some 1700 people have pledged themselves to pray daily in this World-Wide Prayer Crusade, and the number is increasing rapidly. This means that—every day—this great number of people are united in prayer for the purpose of promoting world-wide revival.

A few months ago we spent several days in prayer and fasting. During that time, we felt definitely led to call those who had faith in God to join themselves in a world-wide prayer effort. God is doing great things for His people. He is raising up an army of evangelists with a boldness of faith that is reaching millions of people with the Full Gospel message. It is evident that a new era of faith in God is being born in the Church.

Despite these great advances, we believe that to some extent a certain thing has been lacking. People have been so blessed by the ministry of these men of faith, they have not realized that they, too, have a great responsibility—a responsibility of prayer. This is the time when the prayers of those who have faith in God will do the most good. World-wide revival is spreading through the world. If the people of God will now unite their faith and prayers in this great revival, it will become overwhelming in power. We must realize that God has a place for everyone of us in this revival. Prayer warriors and intercessors are in the highest rank of God's choicest saints, and will have the greatest reward in heaven. Moreover, as you pray for blessing upon others, so God will send the blessing upon you.

Now, as you pray for the deliverance of others, God will deliver you!

7. For THE VOICE OF HEALING radio program that is carrying this message of deliverance by the voices of our evangelists, that God will give us sponsors who will make possible our getting the message on many stations.
8. That God will bless the work of the pastors and help them to bring this message of deliverance in the local churches: that the gifts of the Spirit will be manifest in the local assemblies and that the Church may be made ready for His coming.
9. For the unity of the Body of Christ, that all attempts of Satan to bring misunderstanding and division shall be defeated.
10. That God will save America (or your native country), for only by national repentance will the nations of the earth be saved from disaster and judgment.

FULL GOSPEL BUSINESS MEN'S CONVENTION IS GREAT SUCCESS!

A REPORT COMES to us, as we go to press—too late to give in detail—of the great success of the recent convention of the Full Gospel Business Men's Fellowship International.

Ministers, as well as business men came from far and near. The messages were highly inspirational, and all reports show

that the newly organized Fellowship is growing with great rapidity. New chapters have been added in many cities. DEMAS SHAKARIAN, President of the Fellowship, directed the program. His work has been conspicuous in advancing the cause of the unity of God's people. The Christian business men of any community are a potential

asset to this ministry that has been too often overlooked in the past. There needs to be a means by which all these business men may have common fellowship, and this new association seems to be providing this in a glorious way. The editor had the privilege of attending a part of the Convention and received a great blessing.

STARTLING INCIDENTS AND AMAZING ANSWERS TO PRAYER

I REMEMBER the day before Christmas one winter, for it stands out like a boulder in my life.

The weather was unusually cold, our salary had not been regularly paid, and it did not meet our needs when it was. My husband was away, traveling from one district to another much of the time. Our boys were well but my little Ruth was ailing and, at the best, none of us were decently clothed. My husband's overcoat was hardly thick enough for October, and he was obliged to ride miles to attend some meetings or a funeral. I had patched and re-patched, with my spirits sinking to their lowest ebb. The water gave out in the well and the wind blew through cracks in the floor. Many a time our breakfast was Indian cake and a cup of tea, without sugar.

FAITH BEGAN TO WAVER

The people in the parish were kind, and generous, too, but the settlement was struggling for itself. Little by little, at the time I needed it most, my faith began to waver. Early in life I was taught to take God at His Word, and I thought my lesson was learned. I had lived upon the promises in dark times, until I knew, as David did, "Who was my Fortress and Deliverer." Now a daily prayer for forgiveness was all I could offer.

I became more heartsick, when I remembered that it was not long until Christmas. The ice was thick and smooth and the boys were each craving a pair of skates. Ruth, in some unaccountable way, had taken a fancy that the dolls I had made were no longer suitable; she wanted a nice, large one, and persisted in praying for it. I "knew" it was impossible, but Oh! how I wanted to give each child its desired present.

SEEMED GOD HAD DESERTED US

It seemed as if God had deserted us, but I did not tell my husband all this. He worked earnestly and heartily; I supposed him to be hopeful as ever. I kept the sitting room cheerful with an open fire, and tried to serve our scanty meals as invitingly as I could.

The morning before Christmas, James was called to see a sick man. I put up a piece of bread for his lunch—the best I could do—wrapped my plaid shawl around his neck, and then tried to whisper a promise as I often had, but the words died away upon my lips. I let him go without it.

THE FAITH OF A CHILD

I coaxed the children to bed early, for I could not bear to hear them talk. When Ruth went, I listened to her prayer; she asked, for the last time, most explicitly for her doll, and for skates for her brothers. Her bright face looked so lovely when she whispered to me, "You know, I think they'll be here early tomorrow morning, Mamma." I thought, "I would move heaven and earth to save her from disappointment." I sat down alone and gave way to most bitter tears.

Before long James returned, chilled and exhausted. He drew off his boots; the thin stockings slipped off with them, and his feet were red with cold. I thought, "I

could not treat a dog that way, let alone a faithful servant." Then, as I glanced up and saw the hard lines in his face, and the look of despair, the thought flashed across my mind, James had let go, too. I brought him a cup of tea, feeling sick and dizzy at the very thought. He took my hand, and we sat for an hour without a word. I wanted to die and meet God and tell Him His promise was not true; my soul was full of rebellious despair.

THE SURPRISE GIFT BOX

Suddenly, there came a sound of bells, a quick step, and a loud knock at the

door. James sprang up to open it. There stood Deacon White. He said, "A box came for you by express just before dark. I brought it around as soon as I could get away. Reckon it might be for Christmas. Here is a turkey my wife asked me to fetch along, and these other things I believe belong to you." There was a basket of potatoes and a bag of flour. Talking all the time, he hurried in with the box, and then, with a hearty "Good-night," he rode away.

Still without speaking, James found a chisel and opened the box. I drew out, first, a thick red blanket, and we saw that, underneath, the box was full of clothing. It seemed at that moment as if Christ fastened upon me a look of reproach. James sat down and crossed his face with his hands. "I can't touch them," he exclaimed; "I haven't been true, just when God has been trying me to see if I could hold out. Do you think I could not see how you were suffering, and I had no word of comfort to offer. I know how to preach the awfulness of turning away from God."

"James," I said, clinging to him, "don't take it to heart like this. I am to blame. I ought to have helped you. We will ask Him to forgive us."

OVERWHELMED BY GOD'S GOODNESS

"Wait a moment, dear, I cannot talk now," then he went into another room. I knelt down and my heart broke; in an instant all the darkness, all the stubbornness rolled away. Jesus came again and stood before me, but now with the loving word, "Daughter!" Sweet promises of tenderness and joy flooded my soul. I was so lost in praise and gratitude that I forgot everything else. I do not know how long it was before James came back, but I knew he, too, had found peace. "Now, my dear wife," said he, "let us thank God together." And then he poured out words of praise; Bible words, for nothing else could express our thanksgiving!

REJOICING OVER OUR TREASURES

It was eleven o'clock, the fire was low; and there was the great box, and nothing touched but the warm blanket we needed. We piled on some fresh logs, lighted two candles, and began to examine our treasures.

We drew out an overcoat; I made James try it on; just the right size, and I danced awhile around him, for all my light-heartedness had returned. Then there was a cloak, and he insisted in seeing me in it. My spirits always affected him, and we both laughed like children. There was a warm suit also, and three pairs of woolen hose. There was a dress for me and yards of flannel, a pair of overshoes for each of us, and in mine was a slip of paper. I have it now, and I mean to hand it down to my children. It was Jacob's blessing to Asher, Deuteronomy 33:25—

"Thy shoes shall be iron and brass;
and as thy days, so shall thy strength be."

In the gloves, evidently for James, the same dear hand had written, from Isaiah 41:13—

"I, the Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee."

GIANTS ASLEEP!

*Paupers With Signed Checks
In Our Pockets!*

RECENTLY when I was at Edmonton in Alberta, I read the story of a man during the last war who came to his commanding officer and said, "I have taken a prisoner," to which the commanding officer replied, "Bring him along." The man went back and when he returned said, "The prisoner won't come," to which the commanding officer replied, "Well come yourself." And the man replied, "The prisoner won't let me."

Unfortunately that is the kind of victory many of God's children experience, in the face of so many Scriptures, Christ's death on the Cross provided salvation, and Thank God it also did a lot more. He died not only that we might be "legally safe" but also that we might be "morally sound."

Giants asleep!

Paupers with signed checks in our pockets!

That is exactly what we are! Few of us realize our standing in Christ! Few understand and appreciate the merest fraction of what Christ did for us on the Cross! *Failure to understand and appreciate our standing in Christ, is the cause of all weakness and impotence!*

The one great burden of the epistles is just this! The heart throb of all the Apostle Paul's prayers is that God will give unto us the spirit of wisdom and revelation in the knowledge of Christ; that the eyes of our understanding might be enlightened; and that we might know the hope of His calling, the riches of the glory of his inheritance, and the exceeding greatness of His power to usward who believe.

Strange but true, the epistles are taken up not so much with evangelism, but the perfecting of the saints, the edifying of the body of Christ, till we all come to the unity of the faith and the measure of the stature of the fulness of Christ, no longer children, no longer tossed about, but having attained growth into full stature, and hearts and minds that understand and appreciate all that God has done for us in Christ. (Ephesians 4).

When we read of the power of the Old Testament prophets and the disciples in the days of Christ, how humbled we should be at our impotence, when we realize we have much more light than they had.

Living in the full blaze of the revelation given the Apostle Paul, after Christ's triumphant crucifixion and resurrection, what manner of men ought we to be? Shame on us! The charge at the Judgment Seat of Christ, before which we must all appear, will not be what color stockings we wore, for "holiness is more than wearing black stockings," but why were we so impotent, when we knew these promises. It is not what we are "not doing" but what are "we doing?"

Yes, we are giants asleep! We don't realize who we are or what we are! God

knows who we are, and is trying to tell us in His Word and by His Spirit! The Devil also knows who we are, and is scared that we might wake up! HOW CAN WE FIND OUT WHO WE ARE? There is only one place to answer that question and that is God's Word, for you cannot go by what you FEEL, nor by what you THINK about yourself, BUT YOU CAN GO BY WHAT GOD'S WORD SAYS! Man's word MIGHT be true, but God's Word is ALWAYS true; There are two tragedies among Christians:

- (1) We don't read God's Word enough.
- (2) We don't believe what we do read.

If we fed our souls like we feed our bodies, what a different story it would be.

Listen to what God says about you:

"Ye are complete in Him," "Sin shall not have dominion over you," "All things are yours and ye are Christ's and Christ is God's," "Greater is He that is in you than he that is in the world," "We are more than conquerors through Him that loved us and gave Himself for us," "Heirs of God and joint heirs" with Jesus Christ," "He that spared not His own Son but delivered Him up for us all, how much more shall He not also freely give us all things!"

It is time we believed what God says, more than what we think or feel! These exceeding great and precious promises have been given unto us that we might become partakers of the divine nature! It is only the Word of God that can change us! WE GET WHAT WE BELIEVE FOR!

We put off to the future the things that God tells us are for us right now! We pray for things that God says are ours already, "Blessed be the God and Father of our Lord Jesus Christ, Who HATH blessed us with all spiritual blessings in heavenly places." "For the law of the spirit of life in Christ Jesus HATH MADE ME FREE from the law of sin and death."

Some time ago I heard a story! It well illustrates our point. A passenger on one of the large Atlantic steamers did not know that meals were provided with his ticket—he ate soda crackers until the last day, when he was told. He got to England alright, but he missed such a lot! It is not only a matter of getting to Heaven; through the death of His Son, God made such a wonderful provision for us all!

THE FAITH OF A CHILD

(Continued from Page 5)

A DOLL FOR RUTH—SKATES FOR THE BOYS

It was a wonderful box, and packed with meticulous care. There was a suit of clothing for each of the boys, and a little red gown for Ruth. There were mittens, scarfs, and hoods. Down in the center, we found another box; we opened it, and there was a wax doll! I burst into tears again; James wept with me, for joy. It was too much! Then we both exclaimed again for, close behind it, came two pairs of skates! There were books for us, stories for the children, aprons and under-clothing, knots of ribbon, a lovely phonograph, needles, buttons and thread, a muff and an envelope containing a ten-dollar gold piece! We cried over everything we took out.

RUTH'S PRAYER OF THANKFULNESS

You should have seen the children the next morning; the boys raised a shout at the sight of their skates. Ruth caught up her doll and hugged it tightly without a word, then she went into her room and knelt by her bed. When she came back, she whispered to me, "I knew it would be here, Mamma; but I wanted to thank God just the same, you know!"

James said, "Look here, wife, see the difference." We went to the window, and there were the boys out of the house already, and skating on the crust with all their might!

GOD NEVER FAILS!

My husband and I both tried to return thanks to the church in the East that sent us the box, and have tried to return thanks unto God every day since.

Hard times have come again and again, but we have trusted Him, dreading nothing so much as a doubt of His protecting care! Over and over again, we have proved, Psalms 34:10—"They that seek the Lord shall not want any good thing!"

JOY TO THE WORLD!

Osborn WORLD MISSIONS Crusade

~ Evangelizing With The Natives ~

*A hundred thousand souls a day
Are passing, passing fast away
In Christless guilt and doom;
Oh Church of Christ, what wilt thou say,
When in the awful Judgment Day
They charge thee with their doom?*

I FIRMLY CONTEND that every believer must either GO, or send a substitute to carry the Gospel to the heathen. Each year that we have gone abroad, the responsibility for the evangelization of the heathen has weighed heavier upon our hearts. We realized that everyone could be a missionary in some way; either go, or give to send others, or pray for those who go or give. We have done all three of these things to our very limits. We have gone, and shall continue to go; we have given every penny we could possibly sacrifice to help others; and we have prayed for both. But all of this has not satisfied, because we have realized that MUCH MORE MUST BE DONE BY EVERYONE.

It was upon our return from Guatemala, this spring, that the Lord revealed to us a way in which we could do yet MUCH MORE to spread the Gospel; that is by proclaiming at home the need of the heathen millions abroad and by instituting a plan by which those interested in their salvation, and who could not go themselves, could send out substitutes in their places.

A PERPETUAL CHALLENGE TO EVERY BELIEVER

Every man, woman and child in heathen darkness must be a perpetual challenge to every believer, and we dare not rest until our ALL has been devoted to this all important, and SUPREME TASK OF THE CHURCH, THE EVANGELIZATION OF THE WORLD.

The following report will doubtless bring great rejoicing to the hearts of thousands of readers of TVH as you are introduced to some of the "SUBSTITUTES" who are now being sent forth to proclaim Christ to the heathen.

Names and particular details concerning each Native Missionary being assisted are, and will be purposely withheld from publication in order to refrain from personal contact with them which we ourselves do not engage in. In fact, some of these Native Missionaries who are being helped do not even know the source of their assistance or who is responsible for it. All applications and checks are handled through the missionaries who recommend them and under whose supervision they are labouring.

SOUTH RHODESIA

Shown below is the brother of whom we wrote in the last issue of TVH, who

is giving his time carrying the Gospel to a vast native area of six districts in which there is not a single church of any kind; one Catholic school is there. This is along the Rhodesian-Portuguese East African border. Portuguese East Africa is one of the darkest spots in Africa and the Gospel has practically been forbidden but, in answer to prayer and after much persecution, this brother obtained permission from the Portuguese Native Commissioner to preach the Gospel in this territory. He has suffered much for the Gospel, and has received recommendation for help from the missionaries of the Apostolic Faith Mission of South Africa, under whose supervision he labours. Pray much for him.

INDIA

Next, we introduce you to an Indian brother, (see picture below) a converted Hindu since 1936, a graduate of Bethel Bible Institute and member of the South India Assemblies of God for over 16 years, who, with an amazingly small amount, is now giving his time to evangelizing in a section of India which is very poor and needy, where the Gospel is little known, and believers very few.

To fulfill the great commission, this brother is taking the Gospel, as an evangelist, to an area of more than 10 million Moslem and Hindu souls. He is the father of 5 children and has been highly recommended by officials of the above-named Mission as a man who "commands the attention of Hindus and strangers the like of which I have not seen in others"; "an eloquent Indian preacher who preaches with great fire and fervor and with an un-interrupted flow of language which is almost over-whelming."

Undoubtedly, the prayers of many will hold this servant of our Lord before the Throne daily in prevailing prayer that his ministry shall turn many from heathenism to the true knowledge of Christ—many who perhaps never would have heard the "Good News," if some of you had not caught the vision of sending substitutes in your places.

* * * * *

From the Engedi Fellowship of South India comes the application of this fine Indian couple (both ministers), (see picture in upper right corner of page) with the finest recommendations, which has been joyfully accepted. Their objective is to preach the Gospel and to assist their supervisor in opening new works among the unreached tribes of the province of Orissa.

The challenge of this area of at least 6 unreached tribes is indeed staggering.

Any further information, or methods by which you can help may be received by writing EVANGELIST T. L. OSBORN, Box 4231, Tulsa 9, Oklahoma.

INDIA

and it is surely high time that they, too, have a chance to hear the Word of Life. May God grant that the ministries of this couple shall be exceedingly fruitful and redound to the salvation of many thousands. We believe that, with the help being given them, and with our prayers, they will be able to accomplish much for the expansion of the Kingdom. This woman is recommended as an unusual Bible Woman, who has been educated as a school teacher. She is able to gain admittance into the homes of Caste Hindus and preach Christ to the Caste Hindu woman who could never be allowed to hear the Gospel any other way. Pray for them.

JAMAICA, B. W. I.

This brother (pictured below) is going to the Capitol city of one of the districts of Jamaica to raise up and establish Full Gospel churches. This is one of the thriving centers of Jamaica in which there is no other Full Gospel work. We, therefore, feel thankful to God that, through this means, a way is made possible to spread the message of Christ's fullness to these needy people also. His application has come with the highest recommendation of the Church of God. Jamaica is very poor and very needy. Let us pray that many shall find Christ there.

* * * * *

This is a crucial hour in the course of human events. NEVER HAS THE NEED BEEN SO URGENT FOR THE SPREADING OF THE GOSPEL TO ALL THE WORLD; never the times so significant; never has the Church of Jesus Christ been called upon to do so much in so short a time. In this our day of opportunity and responsibility, let us ask ourselves: *What am I doing—what is my church doing—toward reaching this all-important goal—the spreading of the Gospel "unto all the world" and to "every creature?"*

Most assuredly the song writer had caught the true vision of the work of the church and the return of Christ when he wrote:

*"After we've received the Spirit's fullness,
Filling all our hearts with love divine;
WE'RE TO WITNESS TO THIS BLESSED GOSPEL,*

*IN EVERY NATION, COUNTRY, LAND
AND CLIME.*

When we give the Gospel as A WITNESS,

Unto every people far and near;

With lightning flash, we'll see,

In clouds of glory, THE KING APPEAR!"

PHILIP GREEN IN INDIA

As we go to press, we receive word from EVANGELIST PHILIP N. GREEN that he is now in India on his trip around the world.

He is having great success and finding much demand for the ministry of deliverance. Switzerland is hungry for revival. France is enjoying a real Divine Healing revival. Spain presented much opposition to the healing ministry through Catholic officials. Pray for that locality.

He was thrilled to see sinners stand in Rome to accept Christ as Saviour, and to see the Vatican City, the catacombs, the prison where St. Paul spent his last days on earth, and the old Roman walls and the Coliseum.

On to Athens, Greece, with Brother David duPlessis, then to old Corinth. Next to Cairo, Egypt, and the pyramids. On to Calcutta, then to India. India is ripe for a revival of miracles from God. Pray for the missionaries.

Next to Hong Kong, then to Manila, thence to Formosa and Japan, then to Hawaii.

This trip will provide much interesting material for his story of "Deliverance Around the World," which our TVH readers will look forward to reading on his return.

A collection of Ira Stanphill songs bound.

I WAS REARED at an old fashioned family altar where my father read the Scriptures aloud, and consecutively. Then Pappa, Mamma, and little Olive prayed. My life also was molded under the godly influence of my grandparents.

CONVERTED AT 14

At the age of 14 years, I was saved in a special surprise meeting when they filled the church at the delight of the pastor. I was indeed made a new creature in Christ Jesus and the hand of the Lord was laid upon me.

Later I learned about the truths of Pentecost and my heart was made hungry. The Lord poured out His Spirit upon me too, and how thrilled I was to have an experience like the early church at Pentecost. It was during this time that John Kellner, the Assembly of God preacher, came into my life and we were married and labored together for the Lord in pastoral work almost 33 years. The Lord gave to Bro. Kellner a healing ministry, and many wonderful answers to prayer took place during those years.

HEALED BY GOD'S POWER

For several years I suffered with an affliction which troubled me greatly. One Sunday evening after preaching, then returning home and retiring for the night, I was awakened with the worst attack I ever had. I struggled for deliverance, and claimed the promises, but my soul was tossed like Galilee of old. It was way after midnight and every one was sleeping when, suddenly, I was conscious. Some One was in my room (though I saw Him not) for a voice spoke to me saying, "I am the Lord that healeth thee; thine health shall spring forth speedily."

Immediately, I knew "I am the Lord that healeth thee" was taken from the law in Exodus 15:26 and "Thine health shall spring forth speedily" was taken from the prophets in Isaiah 58:8. I also knew that, in both instances, the conditions were extremely high—keeping the law in one—Exodus 15:26:

"If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee."

and the practical side of religion just as high in the other, Isaiah 58:7, 8—

"Is it not to deal thy bread to the hungry, and that thou bring the poor that are cast out to thy house? When thou seest the naked, that thou cover him; and that thou hide not thyself from thine own flesh?"

"Then shall thy light break forth as the morning, and thine health shall spring forth speedily."

So I started to turn the search light on my own life, when the voice spoke again. "Jesus Christ fulfilled the law of the prophets; therefore, those promises are thine." I stopped looking at myself! Jesus had met the conditions for me, for who could keep the law? All mankind had broken it, but Jesus came and kept and fulfilled the law. Therefore, its promises

was given to ME!—

Matthew 28:19, 20—

and, lo, I AM WITH YOU

were mine! Then the voice sang those words, "I am the Lord that healeth thee; thine health shall spring forth speedily," over and over in a chorus to me. My soul became as calm as Galilee when Jesus spoke "Peace, be still."

THE VOICE OF HEALING CHANGED MY LIFE

In the fall of 1948, a copy of THE VOICE OF HEALING was handed us and our hearts were thrilled with its account of God's mighty movings and of the healing revivals that were in progress. As a result, we attended one of those great meetings in January and February of 1949, where we saw in action what we had been reading about in THE VOICE OF HEALING. We felt like we were transported back to the days of Matthew, Mark, Luke and John and were in the meetings that Jesus conducted when the throngs gathered about Him to hear the Word of God and He healed the sick.

At this time, Bro. Kellner was suffering with severe pains in his back so that he was unable to dress or undress his feet, which I had to do for him night and morning. When the evangelist prayed for him, the warm healing power of the life of Jesus streamed through his body and he was instantly delivered! Praise the Lord, it has never returned! Since that time we have never been the same. Wherever we went, we talked about what God was doing, and took our stand for this great visitation from the Lord.

FULLY REALIZED—FOR THE FIRST TIME—CHRIST PAID THE PRICE FOR MY HEALING

In the last of February, 1950, I suffered a heart attack which took me down physically, but the Lord renewed to me a truth which He had made real, when He healed me of the nervous breakdown years ago. I had been prayed for a number of times, but continually grew worse. However, this particular time, when Bro. Kellner prayed for me the illumination of Exodus 13:13 thrilled my soul. I was enabled to grasp the truth and I was healed.

The Lord let me visualize an Israelite who wanted to save the life of his donkey. He sought out a lamb which was perfect, not sick, blind, or lame, but without blemish. He then took the lamb and donkey to the tabernacle. The Lord let me see that the priest did not examine the donkey but closely examined the lamb.

Evangelist Olive M. and John Kellner
Brother John Kellner is a General Presbyterian of the Assemblies of God.

When the lamb was found perfect, he slew it and offered it up and the donkey went free. Then the Lord let me know it wasn't what I had done or had not done, but what Jesus had done for me. He said to me, "You are the donkey; Jesus is the lamb." Was there any spot in Him? Any blemish? Any sin? No! He was accepted at Calvary and I went free. Through this impartation of truth, I was set free. Jesus said, "Ye shall know the truth, and the truth shall make you free." (John 8:32). When the Lord renewed this to me in 1950, these words rang in my soul over and over again:

*"I am the donkey,
Thou art the Lamb;
That's why I come,
Just as I am.
Not in righteousness of mine,
Only in that which is Thine;
Imputed through faith in Thy blood.
Thou precious Christ; Thou Son of God,
Thou hast brought salvation for my soul,
And healing for my body, to make me whole;
Through faith in Thy precious blood to atone
For me, before God's heavenly throne.
To Thee be the glory—to Thee alone."*

Then about the middle of March, I suffered another attack. At this time the Lord laid me on a preacher's heart who came and prayed for me. The glory of the Lord came down and I made a fresh consecration and began to improve. We went to another great healing meeting and, when the evangelist prayed for me, my heart quieted down and I went home and slept like a baby. From this time on I began to recover rapidly so that within a few days I helped drive home across the continent.

CHRIST COMMISSIONED ME TO PRAY FOR THE SICK

The Lord then began dealing with me about this ministry of deliverance. I was alone in our room, reading and meditating on the great commission as recorded in Matthew 28 and Mark 16. The presence of the Lord drew near and the Holy Ghost illuminated and personalized the great commission to me, making me to know that the "power of attorney" in the great commission was given to me, to carry on the business Jesus began and

to act for Him, in His name, and in His person! I was awe stricken, and hardly dared to breathe. Bro. Kellner came in, and I asked him to sit by me while I told him what the Lord had made real to me. Almost breathlessly I gasped "If this is so, then my hands are as though they were the hands of Jesus," and pausing, I continued, hardly daring to express it, "And if my hands are as though they were the hands of Jesus, what will happen when I lay them on the sick?" This revolutionized my life and ministry—when I knew my status and place of authority before heaven. I entered into a new place of power I had not known!

I began preaching this truth and acting upon it. Results began following my ministry, such as I never experienced before. One lady came for prayer who was filled with adhesions from so many operations. She had been to the hospital again and was opened up but the doctors were not able to do anything for her. As we laid our hands on her and prayed, she cried out, "That's it Lord!" As the warm healing power of our Christ flowed through her. She felt the adhesions break under our hands, one after another.

A NEW PHASE OF MY MINISTRY

Then a new phase of this ministry of deliverance began to be manifested in my life, as I felt the power of God in my body—in the place where the sick one was afflicted. One day we went to pray for a man sick in bed suffering pain in

his left leg. If he touched his toes to the floor it was excruciating agony. After every one present was through praying, I felt the power of God flow through my left leg as though I was connected to a live wire and, with it, an impulse to lay my hands on this man again and rebuke the pain and affliction. I obeyed and this manifestation which I had left. It came back again but I refused to yield. Immediately I was conscious I had grieved the Lord. Quickly I asked forgiveness and promised the Lord if it returned I would obey. Like lightning, it returned, and again I placed my hands on him and prayed. He said, "Oh! I feel better!" He asked his wife to show us the large dark spot on his knee which, no doubt, was the source of his trouble, and lo it was gone! In a couple of days he was out and doing his work again.

ADDED MANIFESTATIONS OF GOD'S POWER

This manifestation of feeling the power of God in my body in this manner continued for some time. Then I began experiencing still added manifestations, feeling the pains and even the growths of the afflicted. I was sitting on the platform, when suddenly I was seized with pain and began claiming my own deliverance when the Lord spoke to me, "That's not your pain, but some one's pain in the congregation." Quickly I jumped to my feet and asked who was

suffering pain in her right side. Immediately two women came running to the altar, with tears streaming down their faces. Their pains vanished while prayer was being offered for them. This has continued; but at first I did not understand until the scripture, "Christ is touched with the feeling of our infirmities" was made plain to me. Then I knew it was the Christ within that was being touched with the feeling of the infirmities of the people in the congregation.

I DESIRE TO BE "NOTHING" FOR CHRIST'S SAKE

One night I saw myself in a dream kneeling and praying with my head buried in my hands. I listened to the words of that prayer and they were, "Lord, Oh to be nothing, absolutely nothing that thou mightest use me." That's what I am, "Nothing." I feel I am the least of those chosen for this glorious ministry of deliverance, but I am so grateful to the Lord for letting me share in this great revival in the earth today.

Bro. Kellner and I can truthfully say we have experienced the greatest joy, glory and thrills, in these last few years of ministry. Jesus is closer and more real than ever before, as we have seen more miracles, signs, and wonders in answer to prayer than in all the previous years, for which we give God all the glory and all the praise, for He alone is worthy.

A Report on EVANGELIST F. F. BOSWORTH, in Durban, South Africa

By William Laggar

Durban, South Africa
DEARLY BELOVED of the Lord:
"Peace!

"I am doing my humble best to report to you the great and wonderful Ministry of Evangelist F. F. Bosworth, in the Durban area of South Africa during the early and middle part of this year. I could not attend his great meetings in the Cape Town area and other places before his coming to Durban, but I had the pleasure of being present in nearly every meeting here in Durban; therefore I speak from my own personal knowledge of what I heard and saw.

"It would fill a book to record the wonderful things in detail, for they are far too numerous to mention. Suffice to say that, every known disease and physical infirmity yielded to the mighty touch of the Divine power of the Word and the Name of Jesus. Many were healed instantly, others before they left the meeting, and others as they reached their homes. I have never seen so many cases of cancer in any meeting before as I saw in the Durban Campaign, and most of them were healed! Night after night there were as many as 30 to 40 new cancer victims who were prayed for in the mass prayer, and the shout of victory came from many immediately. Likewise, among the throng which came forward nightly for healing, there were TB victims by the dozen; also the deaf, many of whom were born deaf and dumb. Oh, it was wonderful! The power of God was present to heal in every service from

the very first to the last. At the close of some services, after the benediction, God began to work overtime healing the hardest cases including deaf mutes who had witnessed the healing of others.

"I could tell you pathetic stories of some poor African or Hindu, helpless but full of faith, just asking for a touch of Brother Bosworth's hand, and they were not disappointed. One old Zulu, gray beard, totally blind, was led by a young boy to me asking me to guide him to the Umfeedisi—teacher—for a touch of his hand. I led him forward and as soon as he felt the touch, he saw my hand, and then asked if he could sing, which he did as only a Zulu can sing. Yes only Zulus sing; others make noises! Brother Bosworth will never forget the singing Zulus! And I think that very song will bring him back to Africa.

"The greatest victories over sin and sickness took place among the non-Europeans; especially the Zulus. Great blessing was shed on the Europeans too, with signs following. The campaign started in the great Sports Stadium at Hoy Park in Durban near the Ocean Beach. Then a few weeks later the meeting was moved to a native village in the suburbs of Durban; and so great was the result in salvation and healing that a second visit was made with equal results. The next move was to the Hindu locality adjoining Durban. This, too, gave witness to great things: most astounding miracles took place; the blind saw, the deaf

heard, cancers melted away, TB was healed, the lame walked, and all praised God.

"Then two other Zulu centers were visited with wonderful results. And calls came from the south coast of Natal over 100 miles away—Port Shepstone, Margate and beyond. Three campaigns were held there where Divine Healing had never been preached before. And now believers are forming gatherings for mutual help and for progress. I had the pleasure of initiating the first meeting in Port Shepstone through my friends, the Scandinavians. Bless the Lord O, my soul!

"This ministry by Brother Bosworth is too big for a limited testimony in a letter. The following will help you to appreciate the greatness of it when I tell you of some of the responses to the invitations to come to Christ for salvation and healing. So great were the crowds that moved forward in a single service, that they would fill an ordinary church. No such sights have I seen before anywhere!

"And, when the Zulus left the grand stand and came forward, they came singing their heart-melting songs: 'Our Home Over There,' Ikaaya laapa yaa! Kumbuulo Ikaaya Laapa yaa! and 'Come to Jesus Just Now,' Naango Jesu-Naango Jesu Manche! Thousands were saved and healed in these campaigns! Glory to God! May the Lord bless your heart with great joy in reading these facts."

Humbly yours,
William Laggar.

SCORES OF CHURCHES REAPING BENEFITS FROM GRANT CAMPAIGN

By Rev. John W. Farrell
Rev. Lester Horton
Rev. Hugh A. Still
(Cooperating Pastors)

GOD HAS CERTAINLY VISITED Hot Springs, Arkansas, with a record-breaking revival. Scores were saved, healed and filled with the precious Holy Spirit, as Evangelist W. V. Grant preached. So far as we know, this has been the greatest revival Hot Springs, Arkansas, has had in her entire history. People attended from many cities and states, and from several different denominations. Numerous churches are now reaping benefits from this revival, both white and colored.

Outstanding miracles and healings were witnessed each night. The crippled came with crutches, and using walking sticks, but were healed and went away leaving their crutches and walking sticks at the tent. See picture above left.) The blind saw, the deaf heard, the dumb spoke and cancers and growths disappeared before the eyes of those present.

About three thousand people confessed Christ as Saviour, and the greater part of these received the Baptism of the Holy Ghost, according to Acts 2:41.

One night, 132 testified to having been healed in the service, even before the healing line was formed. At another service, a man gave a like testimony. A spiritualist medium was discerned from the audience. She came forward and was saved and delivered by the power of God.

The beautiful spirit of cooperation between pastors and churches was glorious to behold. Truly did we seem to be living in New Testament days. So good is our God!

"CHURCH MEMBERSHIP INCREASED FIFTY PERCENT"—Says Pastor

By Rev. James V. Courtney, Pastor
Central Assembly of God Church
Baton Rouge, La.

FOR FOUR WEEKS God poured out His Spirit in the Grant revival, in Baton Rouge. Each night seekers went forward, as the altar call was given, as many as 125 in one night. It is impossible to know the exact number of those who were saved and filled with the Holy Spirit.

Night after night, we saw the blind, mute, deaf, lame and afflicted healed by God's power. Those who had been in total silence since birth were enabled to hear.

One lady returned and testified that, after prayer, 12 cancers had left her face and that a large growth disappeared.

A lady with one leg shorter than the other testified that God had made her leg normal, after the Evangelist prayed.

A little boy, afflicted with polio, was healed and enabled to run when his braces were removed!

Space forbids reporting scores of other miracles we witnessed. Glorious and lasting results have followed this Campaign.

My church membership has increased 50 per cent and we have had the greatest crowds in the history of our church! All the cooperating churches have reported that their memberships have increased likewise. This is true of other churches whose members attended this revival.

GOD'S PRESENCE mightily attended the W. V. GRANT Tent-Revival Campaign in Joplin, Mo., in which several Assemblies of God churches cooperated. Rev. Haskell Grant assisted the Evangelist.

Reports came from hundreds of people who testified that God had healed them from nearly every kind of ailment the devil has put on humanity.

Some of the outstanding healings were:

A girl was healed of curvature of the spine. One of her legs was 1½ inches shorter than the other, but it was made completely normal.

Several deaf mutes were enabled to hear and talk instantly. They could even hear the sound of a watch ticking. Those with totally blind eyes were enabled to

read, through the mighty power of God! Some of them had been blind for 50 years! Others, totally deaf before prayer, were made to hear a whisper. Some of these were deaf from birth, and some had no ear drums, according to U. S. Army doctors' diagnoses.

The ex-Chief of Police who had been deaf in one ear for 26 years, had his hearing completely restored.

A lady who was dying with cancer, whose husband had brought her 2,700 miles for prayer, was completely healed and delivered.

Growths, goiters, and ruptures disappeared instantly.

Most important, however, were the hundreds who received salvation through Jesus Christ! About 360 received the Baptism of the Holy Ghost.

Our home church has been revived, and many other churches have received the same blessings as we enjoyed. Those from other denominations and distant cities shared this outpouring of God's Spirit.

HUTCHINSON CHURCHES, SURROUNDING AREA, REVIVED BY GRANT CAMPAIGN

*By Rev. J. L. Boulware, Pastor
First Assembly of God Church
Hutchinson, Kansas*

WE HAVE just witnessed one of the greatest out-pourings of God's Spirit in the history of Hutchinson, Kansas, under the anointed ministry of Evangelist W. V. Grant.

Hundreds were saved, and filled with the Holy Spirit! Numbers testified that they had been healed of various diseases, such as cancer, tumor, and arthritis. To the blind, sight was given, the deaf heard, the dumb spoke and the lame were made to walk, by God's mighty power.

Those who attended these services represented nearly all denominations, including, Methodist, Baptist, Mennonite, Catholic, Church of Christ, United Brethren and Nazarene. Whole families came to God. On some nights there were as high as 150 at the altar seeking God.

Through this meeting, dozens of surrounding churches have been revived and many from distant towns, in every direction, were reached with the Gospel of Christ.

This campaign has increased the membership of many churches in this vicinity and the revival spirit is still spreading. To God we give the praise!

FRESNO, CALIF. HAS GREATEST REVIVAL IN QUARTER CENTURY

*By Rev. Claude Weaver,
Pastor Calvary Tabernacle
Fresno, California*

FRESNO, CALIFORNIA has been blessed this year with one of the greatest revivals in a quarter of a

century, according to old settlers. Hundreds said they never saw anything like it, nor crowds so large.

The revival began in Calvary Tabernacle; we were soon forced to move to the Civic Auditorium, to seat the people, then to the Memorial Auditorium, the largest in the area. That was soon crowded to capacity.

People came from many cities and communities and from out of the state; some even came from Alaska and Old Mexico. Christians, filled with the Holy Ghost in these services, represented nearly all denominations, Catholic and Protestant, and practically all nationalities.

Hundreds returned to the church and reported that they were definitely healed of all manner of diseases—a few of the outstanding cases were:

Ears—deaf from birth—(many which had no eardrums) heard by God's power.

Many with growths, tumors, cancers, ulcers, TB, dislocated hips, paralysis, broken bones, short arms and legs (abnormally), goiters and arthritis **WERE INSTANTLY HEALED!**

Numbers were delivered from their sick beds, braces, trusses, eye-glasses, whiskey (alcoholism), tobacco, demon possession and obsession, and sense of smell was restored.

One lady, 75 years old, who had been deaf and mute from birth, WAS MADE COMPLETELY NORMAL BY THE POWER OF GOD!

A man with a punctured lung was **RESTORED COMPLETELY!**

Hundreds received the Holy Ghost, as in Acts 2:4, and a great number received definite experiences of salvation. Many, who accepted Christ as Saviour, were over 70 years of age. Often over 150 came accepting Christ in a single night.

Our church membership is greatly increased, our Sunday School is enlarged and the revival spirit remains!

GOD VISITS MANY EASTERN AREAS IN ROBIE BIBLE SALVATION AND HEALING MEETINGS

STROUDSBURG, PENNSYLVANIA STIRRED BY ROBIE CAMPAIGN

By Rev. J. Russell Cairns, Pastor
First Assembly of God Church
Stroudsburg, Penna.

MANY MONTHS before the day arrived for the opening of the Big Tent Cathedral Meeting, under the direction of Evangelist L. C. Robie and party of Union Springs, N. Y., we, here in Stroudsburg, had been praying; and God, ever so plainly, laid Brother Robie on our hearts to come and lead us in such a campaign in this city. It is with deep gratitude to the Lord and His servant, whom He used here, that we make this report:

As the fine group of men gathered to erect the tent, before going to work, we knelt in prayer, after which the tent and equipment which God has so miraculously provided Brother Robie, was raised quickly and easily. We all believed that God was going to give our city a testimony that she would never forget.

From the very beginning, God moved by His Great power to save and heal. After the first Sunday morning service, which was held in the church, a good Brother, who had been attending our services from time to time, asked for prayer that he might hear. God graciously healed him of his deafness, and many others with the same affliction, during the four weeks in the big tent. An outstanding thing in the meeting was the many who

were healed of bone fractures, God, the Master Surgeon, doing that which is impossible for man.

Under the ministry of the Word by our Brother Robie, many came to know Christ as their Saviour and Baptizer in the Holy Spirit! As we try to evaluate the results, we believe that only Eternity will show all that was accomplished, but we feel that the city has received a witness of God's power it never had before. The lame walked, the deaf were made to hear. The diseases had to go at the Name of Jesus. Some were even healed while sitting in their seats, so greatly was the power of God manifested. During one meeting a small boy, crippled with that awful disease of polio, with both legs in braces, and having to use hand crutches, came for prayer. After Brother Robie prayed for him, some of the assistants took him back to the prayer room and removed the braces, then he walked out to the audience and right down the long center aisle, all by himself, and out of the tent, while the audience rejoiced. Few will ever forget these wonderful sights.

Space will not permit telling of many more marvelous deliverances, from almost every kind of ailment. Our church is stronger in every way, and holds a deeper place in our city than ever before.

We could not forget the valuable work of the evangelist's son, Charles, who acted as tent man, song director and soloist, nor the most gracious work of Sisters, Misses, Rev. Sherwood and Coutant, pastors of Middletown, N. Y., Assembly of God, where God so moved under Evangelist Robie a short time previously. These pastors came to spend part of their vacation with us, and how they helped us. We are also grateful for the valued help of other visiting pastors, and hosts who came from 100 miles away.

MIDDLETOWN, NEW YORK SEES MIRACLES

By Rev. Alberta Sherwood and
Rev. Elsie F. Coutant, Pastors
Trinity Assembly of God Church
Middletown, N. Y.

MIDDLETON, NEW YORK, was blessed by the anointed ministry of Evangelist L. C. Robie for three successive weeks.

His messages were deep and stirring and delivered in an humble spirit. There were many genuine conversions and the saints were built up in the faith. Many received outstanding healings, some of which were:

A man who had been deaf for 35 years, in his left ear, **WAS INSTANTLY ABLE TO HEAR!**

A woman who had been blind in one eye for ten years received her sight, in that eye, and **now sees perfectly out of both eyes!**

An eight year old girl was healed of a lump (or growth) in her neck.

A lady who had been near-sighted all her life **was instantly healed!**

Many others were healed of tumors, goiters, cancers and heart trouble. All disappeared by the power of God, through the Name of Jesus.

REVIVAL REMAINS IN AKRON, OHIO

By Rev. Ray S. Armstrong, Pastor
Bethel Assembly of God Church
Akron, Ohio

WHEN WE came to Bethel Assembly of God last October, the people were hungry for God and were praying for a Holy Ghost Revival. God began to work among us and interest and attendance have been increasing steadily.

On February 8, Evangelist L. C. Robie of Union Springs, N. Y., began a meeting with us. From the first night the pronounced presence of God was felt in the services. People began to come from many miles to attend the meetings. Many were saved and filled with the Baptism of the Holy Spirit. A great number were healed of all manner of diseases.

Rev. Roy S. Armstrong

Among the many outstanding miracles of healing was that of an eight-year-old boy whose right side was paralyzed from cerebral palsy. His right leg was stiff and he walked with a pronounced limp. His right arm was paralyzed so that he could not raise it above his hip, and his fingers and hand were badly crippled. After we prayed for him, he was immediately able to raise his hand over his head without difficulty, and to move his hand and fingers freely. His leg also was healed and he ran up and down the aisle, as the congregation rejoiced in the greatness of God. The following week he returned, with his mother, and she testified that he was steadily growing stronger.

Many were healed of deafness, heart trouble, arthritis and tumors.

The meeting continued for four weeks, and the attendance increased until the church was filled during the week as well as on Sundays. We praise God for His wonder-working power that has rested upon us. At the first prayer meeting after the campaign, over a hundred were present and we were unable to get away until around midnight. What rejoicing there was!

ARTHRITIS, RUPTURE, VANISH AFTER EVANGELIST PRAYS

FOR SEVEN YEARS I was troubled with arthritis and was not able to work for six of those years, also had a bad rupture on my right side.

On March 19th, I was so sick and full of pain I did not know what to do. That day, Rev. H. A. Christopher, Pastor of the Philipsburg, Pa., Gospel Tabernacle, brought Evangelist Robie, who was holding Salvation-Healing Meetings, to our home, and when Brother Robie prayed for me, I was healed of both, completely. Praise God, He lifted me!

Mr. Victor Fleck

DELIVERED FROM RHEUMATIC FEVER

AT THE AGE of 13 I had an attack of rheumatic fever and arthritis. Being a sinner, I could not trust God. Therefore, off and on for two years, I suffered severe attacks.

Shortly after my 16th birthday I had such a severe attack that my parents took me to the hospital for immediate attention, where I remained for over eight months.

There I improved, under the doctor's care, but was told that I had only two years to live. I suffered many hemorrhages of the head because the blood would not go through my heart properly. I was up and down constantly.

When Evangelist L. C. Robie came to Auburn, N. Y., I went with my parents to hear him preach at a New Year's

gathering. That night I accepted Jesus as my Saviour; then, as Brother Robie laid his hands on me and prayed for me, I WAS HEALED BY THE POWER OF GOD!

I am still healed today and can do the things I was never able to do before! Recently I was examined by the doctor who previously attended me, and HE COULD FIND NOTHING WRONG WITH MY HEART!

I owe my entire life to God! Had He not healed me, I would be dead by now, or an invalid in a wheel chair. How I praise His dear Name!

CONVERTED—HEALED OF DEAFNESS

I THANK GOD that I had a good praying Mother, and by God's help I am going to meet her.

I was a gambling and drinking man, and ran a dance hall but, thank God, Jesus has taken all that away from me, and I am so happy, for He has washed me in His own Precious Blood!

I thank God too, for His mighty healing power. I had an obstruction in my rectum for several years, causing me considerable trouble and pain. I tried everything possible, and it seemed

there was nothing left for me but surgery. However, one night I let my faith loose, right while I was in my seat, as Brother Robie was praying enmasse for the people—and JESUS COMPLETELY HEALED ME! It is so wonderful!

Some 12 years ago, while I was running a planer machine in the shop, something let go, and hit me on my head, back of my right ear. I had not been able to hear since that time. On April 2, 1953, I joined the prayer line and, as Evangelist L. C. Robie and the Pastor, Rev. Christopher, prayed, GOD IMMEDIATELY GAVE ME BACK MY HEARING! Praise His Name forever!

Harry W. Lyon

MIRACULOUSLY HEALED OF FEMALE TROUBLE

OUR FAMILY PHYSICIAN, on January 2, found I had very serious inflammation of my organs, and ordered three electrical treatments a week, and that I take some tablets to kill the infection (50 tablets—at a cost of \$10)—to be taken three times a day. Nine years ago, I had the same trouble and treatment for that condition cost nearly \$300.

On the following Sunday our church, Calvary Gospel Tabernacle, Corning, N. Y., of which Reverend Love is the Pastor, began a Salvation-Healing Campaign with Evangelist L. C. Robie of Union Springs, N. Y.

How God moved in those services! Over a hundred were saved, beside folk getting baptized with the Holy Spirit. Many miracles were performed before our eyes.

On Sunday night, January 18th, 1953 I joined the prayer line and, as Brother Robie prayed and laid His Hands on me, I WAS INSTANTLY HEALED!

On the 23rd of January, I went back to the doctor, who admitted that a miracle had taken place! As I told him what had happened, though he was amazed, he recognized it as the hand of God. He willingly gave me this written statement. (See reproduction of statement on this page).

Praise God for His matchless healing power!

CURVATURE OF SPINE DISCERNED—HEALED BY GOD'S POWER

*"Praise the Lord for the Power
in the Blood."*

FOR ABOUT THREE YEARS I had not been able to work full time at my job, having to take a few days off several times per year, to take medical treatments for partial paralysis in my shoulders and arms.

On August 12, 1953, I had an X-ray taken of my vertebrae which showed that I had a very bad spine. (See photostatic copy of report of this X-ray on this page.)

When the Healing Revival conducted by Evangelist Roy Hill came to Galesburg, I went up for prayer, believing God still heals those who have faith to believe; and, as Brother Hill perceived my needs, God gave him the X-ray picture of my spine, which he read, showing that I had a severe curvature of the spine and that, in the lower part, it was twisted also. This verified the X-ray which the doctor had taken.

During Brother Hill's prayer, the power of God began to move down my spine. I could feel the cartilage between my vertebrae expand and, all night, I could feel my back snap and pop back into place. *By morning I felt like a new person, for I knew GOD HAD HEALED ME!*

Now I can work a full day, overtime also, and feel no ill effect, nor tire as I used to. Oh praise the Lord I am healed!

Thank God for men of faith like Brother Hill who, under the anointing of the Holy Ghost, speak without fear nor favor; through whose ministry the Gifts of the Spirit, promised in God's Word, are so marvelously manifested.

CANTON, OHIO, SEES THOUSANDS SAVED, HEALED, DELIVERED IN ROY HILL CAMPAIGN

By Rev. Paul J. Sorensen, Pastor
Christian Tabernacle
Canton, Ohio

THREE GLORIOUS WEEKS! at Canton Christian Tabernacle!—weeks filled with Holy awe as we witnessed the spiritual power and heard the shouts of praise echoing and re-echoing throughout the tabernacle like the sound of many waters!

It was the Salvation-healing Campaign conducted in our city by Evangelist Roy Hill.

A Holy glow settled down upon the multitude of people whose glowing faces reflected the GLORY OF GOD'S PRESENCE. These were days that seemed to bring back the memories of the early

Church days, in which Christ, "working with them, confirmed the Word with signs following."

Such is a bird's-eye view and a small account of the glorious meetings conducted by Brother Hill—meetings during which a thousand people with every disease mentioned in the category of medical science came into the prayer line for healing, under the unique and unusual ministry of Evangelist Roy Hill. *More important, many souls were saved in answer to his clear-cut call for salvation.*

Night after night, people came from all walks of life, and from an area of about 60 miles in proximity to Canton, besides others who came from West Virginia and Pennsylvania.

Outstanding among the many healings was the case of a 12 year old girl whose eyeball was deformed so much that, in the words of her doctor, "it would seem as though she had been hit by a baseball bat."

As Brother Hill prayed for her, SHE WAS INSTANTLY HEALED and began to cry out, "I can see! I can see!" (See testimony on this page.)

This miracle was attested to by both of her parents, who were unsaved, and, as she continued to come night after night, she gave witness to the fact that the healing was permanent! In the meantime, her mother accepted the Lord Jesus Christ as her personal Saviour, and her father asked for prayer in the interest of his soul.

We can truly recommend the ministry of this man of God. We appreciate his humble spirit, his consecrated life, his spiritual testimony, and his untiring efforts in every phase of the ministry during his campaign. Brother Hill presents a unique ministry in the Gifts of Healing, and also of Discernment and Wisdom, especially in being enabled to discern the infirmities and ailments of various individuals in the audience and later in the prayer line. This gift has been verified in our midst, inasmuch as a number of the members of the church were called out and their ailments described accurately by Evangelist Roy Hill.

WAS BLIND — NEW PUPIL CREATED — NOW SEES PERFECTLY!

I AM 12 YEARS OLD and my left eye was completely blind! The pupil was entirely gone! All that was left was just the white of the eye ball, as you can see from the picture.

I had gone to several eye doctors, also to Dr. Toot. They all said my eye would never be any better and that I would never have sight in it!

One night at Christian Tabernacle, here in Canton, Ohio, Brother Roy Hill prayed for me and, after he prayed, I COULD SEE PERFECTLY OUT OF THAT EYE! IT NOW HAS A PUPIL IN IT—JUST LIKE THE OTHER EYE!

I praise and thank the Lord for giving me sight in that eye. That was the greatest night of my life.

Glorious Report of WILBUR OGILVIE Campaign in Borger, Texas

Given by a Business Man

EVANGELIST WILBUR OGILVIE

I "I was an unsaved, unbeliever!
I am now saved and healed!" *I*

IT WAS A GLAD DAY when the large truck and van carrying tons of gospel equipment rolled into Borger, Texas, for the great Ogilvie Salvation-Healing Campaign; for, at that time, I was dying a slow death with cancer of the liver and throat. I had suffered a complete nervous breakdown; part of my face was dead (paralyzed), and the blood did not circulate through that part of my face.

When that great meeting started, I was a sinner, without God, having no hope in this world.

DISLOCATED HIP INSTANTLY HEALED

MY HIP had been dislocated for six months. It would slip out of place with each step I took and was quite painful.

When Brother Ogilvie prayed for me on March 18, (1953), God put my hip in place to stay.

Since that time, I have even run up stairs in the hospital where I work,

when in a hurry, and suffered no ill effects in that once lame hip.

Being a nurse's aide in an operating room, I have seen the doctors operate and put pins in the patients' hips, who were suffering an injury such as I had. Therefore, I can more understandingly appreciate how wonderful it was that, in my case, CHRIST, THE GREAT PHYSICIAN, PAINLESSLY AND INSTANTLY PUT MY HIP IN PLACE TO STAY!

How I praise the Lord for my healing. Where He leads me, I will follow.

Mildred Allen
Binghamton, New York

The first few nights I stood on the outside, some distance back but, each night, I got a little closer.

Porter Gillock

One night, I became very bold and stood just outside the tent. When the great prayer-line was formed, I watched very closely, for I was an unsaved, unbeliever and doubted that healing for the body was possible.

That night, the first lady in line was totally blind in one eye. I observed intently. As soon as she was prayed for, she was able to see all over the tent, with the eye that was previously blind, having her other eye closed and covered.

Next came a little girl, who was a deaf mute. Her mother told the Evangelist that she was totally deaf. However, as soon as prayer was offered for her, she was able to hear the ticking of a small wrist watch.

On another night, as Brother Ogilvie was praying for the sick, the lights went out in the tent, when a fuse burned out. However, the Evangelist never stopped praying for the sick. A blind man came through the line and was prayed for in the dark. He had complete blindness in one eye. When the lights came back on, he was one thrilled, excited man, when he found that he had been healed while the lights were out, and was now able to see with the eye that had been blind.

The great night came, when my wife and I, along with a large number of other unsaved souls, made our way to the prayer tent, where we prayed the sinner's prayer and God saved our souls! My! it was wonderful to have the knowledge of sins forgiven!

My next step was to enter the prayer line for healing. I shall never forget it. As Brother Ogilvie placed his hands on my head, a burning sensation that felt like fire (the cleansing and healing fire

of God) ran through my body. I could feel the roots of that cancer being burned out. I could then feel the blood flow into my head and into the parts of my face where it had not flowed for two years. Oh what a glorious feeling—TO BE MADE COMPLETELY WHOLE IN A SPLIT SECOND'S TIME!

My entire family is now saved and we are working here in the local church. My wife and I are happier than we have ever been in the thirteen years of our married life!

My life, my health, and my soul were saved in that great tent revival conducted in our city by Evangelist Wilbur Ogilvie. I felt so sad when the tent was taken down. I wept when I saw them burn the straw where the prayer tent had been, in which I knelt before God and prayed and found the Lord. That will always be a hallowed spot to me.

How I do praise the Lord for sparing my life until that hour, for saving my soul and healing my body!

I shall be glad to give anyone any further information regarding my healing, who cares to write me.

Pastor, Assembly of God Church
Borger, Texas

WE CONTINUE to praise God for the glorious tent revival campaign conducted in Borger, Texas, by Evangelist Wilbur Ogilvie.

The Spirit anointed preaching by our Brother was a blessing to all who heard him. We also are thankful for the good spirit of revival that has remained in our church since the campaign closed.

We witnessed many miracles during this revival, some of the most outstanding of them are given below:

An elderly lady was prayed for who had suffered severely with cancer. Her daughter testified that her mother was healed completely.

A man, deaf in one ear, was instantly healed when prayed for. He could hear the ticking of Brother Ogilvie's wrist watch.

A lady was healed of deafness in one ear, having been deaf since seven years of age.

We praise the Lord for the consecrated ministry of Brother Ogilvie. May the Lord's richest blessing rest upon him and his workers.

Super-Power Stations Carry "Allen Revival Hour" Nightly

IMPORTANT NEWS TO TVH READERS:

BEGINNING NOVEMBER 2nd, A. A. ALLEN, Nationally known Evangelist and dynamic speaker, goes on the air daily with his new 15-minute radio broadcast, "THE ALLEN REVIVAL HOUR."

For months the burden to reach the nation by means of radio has

been weighing heavily on Allen's heart. Although he has reached thousands for Christ each month in great area-wide tent revivals for the past 2½ years, his soul has been filled with a burning conviction that it was God's will for him to reach more of the Christless multitudes with the gos-

pel of power and deliverance.

After much earnest prayer and careful preparatory planning, long-term contracts have been signed with two of the super-power stations — XELO, Juarez, Mexico, and XEDM, Nogales, Arizona — to air the Allen Revival Hour. In addition, daily time has been secured on several strategic stations in metropolitan areas, with new stations being added each week.

These are the first steps to the fulfillment of a vision to blanket America and many foreign nations with the mighty message of deliverance. The interest and prayers of TVH readers around the world are solicited in carrying out this faith venture to reach the masses before the return of the Lord!

Minneapolis — Scene of Great Move from God!

By Rev. Russell H. Olson, Pastor
Fremont Tabernacle
Minneapolis, Minn.

REV. A. A. ALLEN and his party pitched their tent during the month of August on one of the main traffic arteries going out of the city of Minneapolis, and this city was the scene of a mighty move from God.

Night after night the showers of blessings fell upon the great congregation and hundreds flocked to the altar, many of them to accept Christ for the first time in their lives. There were many who received the Baptism of the Holy Ghost. People who came in from various parts of the country, as well as from our city area, have received lasting healings.

One of the outstanding features of the meeting was the great Baptismal service the last Sunday afternoon conducted in the tent, using the portable baptistry that Bro. Allen takes with him. At this time a long line followed the Lord in Water Baptism. One of the 17 cooperating pastors mentioned that he had baptized 35.

The results of Bro. Allen's meetings are lasting. Every week we contact people who have either been saved, baptized with the Holy Ghost, or healed. Our churches are receiving some very fine prospects, who want to go where the fire of God is burning.

Bro. Allen's ministry is thoroughly Pentecostal, and we really enjoyed the move of the Holy Spirit from night to night, with the gifts of the Spirit in great evidence. I personally have asked people of denominations that do not believe in the present day operation of the gifts of the Spirit, how they enjoyed the thorough-

ly Pentecostal meetings, and their answer is, "We think it's wonderful." The people of God still want the move of the Holy Ghost!

Bro. Allen's writings and preaching are so Scriptural and down to earth and appeal in such a way to the people that they cry for more. The only criticism of Bro. Allen's meeting by all of us, was that it didn't continue long enough.

The wonderful cooperation of Brother Allen and Brother Kampfer and all of the members of their party was so apparent that favorable comments were constantly heard even of this aspect of the meeting. The erecting and taking down of the tent, as well as the operation of the meetings themselves, evidenced a lot of thought, planning and prayer.

Let me say that God the Father, Son and Holy Ghost visited Minneapolis in a special way during the A. A. Allen meetings.

SIGNS OF THE ENDING OF THE AGE!

By
Gordon Lindsay

MARK 13:26—“... Then shall they see the Son of man coming in the clouds with great power and glory.”

IN THIS SERIES OF ARTICLES, we call attention to a number of signs pointing to the soon coming of Christ. From time to time, we shall publish additional articles on this same subject.

THE GREATEST EVENT of history is about to take place—the Second Coming, or the Return of the Lord Jesus Christ to this world. On different occasions during His earthly ministry, the Lord referred to that event, at which time He was to set up the visible kingdom of God. Simultaneously, Satan would be bound, wars would cease, and the golden age of history would begin.

The apostles, however, were not altogether clear as to the time that the Lord would return. Some thought He would come back in their lifetime. The fact is, however, that Christ taught that the time of His absence would be long. He declared that His going away was to be as a man “traveling into a far country” and who would return “after a long time.” (Matt. 25:14, 19)

The apostles could not understand this, for they hoped that Christ would return in their generation. Just before Christ ascended to heaven, they put this question to Him, “Lord, wilt thou at this time restore again the kingdom to Israel?” (Acts 1:6). The Lord declined to add further to what He had already revealed. Yet, had they listened more closely to the Lord’s words, they would have understood that this event could not take place in their time. He had told them that the kingdom was being taken from the Jews (Matt. 21:43); and that, because the people had rejected their Messiah, Jerusalem would be trodden down of the Gentiles and the inhabitants dispersed among the nations until “the times of the Gentiles be fulfilled.”

A careful study of the Scriptures shows that the Lord gave a great amount of information indeed concerning the time of His return. Although no one was to know the day or the hour,

no, not the angels, neither Christ Himself, but only the Father (Mark 13:32); God’s people were to know the times and the seasons, for that day was not to overtake them as a thief! (1 Thess. 5:4)

What then is the sign, or are the signs of Christ’s coming? Do these signs indicate that the event is yet far off, or is it nigh at hand? What is the actual evidence concerning this matter?

SIGN I—THE INCREASE OF KNOWLEDGE

We shall begin this inquiry by considering an important prophecy found in Daniel concerning events at the time of the end. The angel, in revealing to Daniel knowledge concerning the developments at the closing of the age, declared:

“But thou, O Daniel, shut up the words, and seal the book, even to THE TIME OF THE END: many shall run to and fro, and knowledge shall be increased.” (Daniel 12:4)

Here the angel, giving a clue to identification of the time of the end, declares that this period would be marked by an unusual increase in human knowledge.

Students of history are familiar with the fact that knowledge of the universe has been added to very slowly over the major extent of the human record. Our grandfathers traveled about in horse and carriage in much the same fashion as Pharaoh did 3500 years ago.

All the great inventions of the modern world have appeared practically within the last hundred years. Only at the turn of the century did we have the first gasoline buggy, a crude vehicle indeed compared to the luxurious creations of today. Not till 1903,

did man fly an heavier-than-air aircraft. The Wright Brothers did it at Kitty Hawk in December of that year. Now, only a half century later, man has succeeded in traveling 1200 miles per hour, and the airways of the world are crowded with commercial planes.

Radio and television are both marvels of the 20th Century. By means of these two astonishing inventions, a speaker is able to address at a given time a potential audience of over half the inhabitants of the United States. A person seeing the image on his television screen is usually able to get a much better view of the speaker than if he had been present to witness the address in person.

And now comes the startling development of atomic power which, however, because of the world crisis, is being developed for mass destruction rather than for peaceful purposes. These tremendous days have witnessed no gradual increase in the sum total of human knowledge. Modern discovery has moved forward with a suddenness so abrupt and so astonishing as to leave one breathless. The Prophet Daniel inferred that when you saw this great increase of knowledge, you should know that the end was at hand.

SIGN II—WORLD SUICIDE

In the context of the twelfth chapter of Daniel, verse 1, (which we have just considered) we are told also of a “time of trouble, such as never was since there was a nation.” Jesus underscores this fearful development in world conditions by declaring that, if God allowed man to continue in his course, it would

(Continued on Page 20)

(Continued from Page 19)

finally result in world suicide, Matthew 24:22—

"And except those days should be shortened, there should no flesh be saved: but for the elect's sake, those days shall be shortened."

This is a prophecy that once seemed utterly impossible of fulfillment. Dreadful as have been the wars of history, no conflict, however desperate, succeeded in any way near wiping out the population of the earth. Even World War II did not materially cause a reduction in the world's population. How then was the statement of Jesus to be fulfilled? It seemed utterly fantastic. Infidels jeered and pointed to these words of Jesus as sheer proof

that He could be mistaken, and the Bible, therefore, uninspired. But, as World War II came to an end, an event took place that caused the countenances of men to pale with fear. That was the discovery and harnessing of the power of the atom. Hiroshima and Nagasaki melted in the fervent heat of the terrible holocaust caused by the atomic bomb.

Yes, as World War II ended, America smugly relaxed in the complacent belief that she alone possessed the secret of the bomb. Four years passed; then the country was rudely undeceived. Russia, aided by traitors in our midst, stole atomic secrets from our nation and learned to make the bomb. On August 20, 1953, came the fateful announcement by our scientists that Russia had exploded a so-called hydrogen bomb or "hell"-bomb! The hy-

drogen bomb is believed to have a thousand times the power of the old A-bomb and can destroy everything within the radius of ten miles. It is potentially capable of destroying the world's largest cities in a moment of time.

Few doubt any longer that the population of the world faces the possibility of world suicide. Unless Christ returns, it appears likely that the human race will destroy itself. Jesus said that this very thing would happen, except for Divine intervention. Because of God's elect, however, this supreme tragedy will not be permitted. *"For the elect's sake, the days shall be shortened."* Thus the appearance of the atomic and hydrogen bombs with their frightful potential power to "mass-kill" certainly foreshadows the early return of the Lord Jesus Christ.

POSTAGE STAMPS OF THE FOUR NATIONS IDENTIFIED WITH THE PROPHETIC SYMBOLS USED IN THE BOOK OF REVELATION

1. THE DRAGON is the symbol of CHINA.

2. THE EAGLE—the symbol of America.

3. THE BEAR—the symbol of RUSSIA. (This is a Russian Occupation stamp of Berlin.)

4. THE LION—the symbol of Great Britain.

CERTAINLY IT IS more than coincidence that THESE FOUR SYMBOLS TODAY ARE THE SYMBOLS OF THE FOUR GREAT WORLD POWERS! Are not these another sign pointing to the fact that the end of the age is at hand?

SIGN III—THE DRAGON, THE EAGLE, THE BEAR, THE LION

The Book of Revelation, using symbolic language, foretells the events which are to occur at the ending of the age. In the 12th and 13th chapters of this Book there is narrated in prophetic order the rise of the Beast Power that shall, by the authority of Satan, exercise diabolic power over the peoples of the earth. The symbology in these two chapters include first the DRAGON (Rev. 12:7). Second, the EAGLE (Rev. 12:14); third, the BEAR (Rev. 13:2); fourth, the LION (Rev. 13:2).

It is not our purpose here to elaborate on the full significance of these symbols or to fully identify the nations that shall fulfill their roles in the final fulfillment of the prophetic drama, but we cannot refrain from calling attention to the amazing fact that these four symbols are the symbols of the four dominant powers in the world today.

(See pictures of stamps and captions above.)

SIGN IV—THE SEVENTIETH JUBILEE OF ISRAEL

To understand the significance of a matter which we shall now take note of,

THIS REMARKABLE STAMP of the present Nation of Israel has the number 70 engraved upon it, and a background of Harvest time, when He (Christ) shall thrust in the sickle, and reap. (Rev. 14:15.)

we call attention to the Law of the Jubilee which was given to Israel (Lev. 25:8-24). The Jubilee was to recur every 49 years, after Israel entered into the land of Canaan. The following year, the fiftieth, was the actual year of the Jubilee. The Jubilee had a remarkable significance and meaning to Israel.

On that year, Israel was to "proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubile unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family" (Lev. 25:10).

According to the chronological record, we are now on the eve of Israel's 70th Jubilee! What is the significance of the number "seventy"? Seventy is the number of completeness. *Seventy weeks of years were determined upon Daniel's people, the Jews* (Dan 9:24). Men were to forgive "seventy times seven." Christ sent

FBI REPORT

MAJOR CRIMES INCREASED 2.5 percent in the first six months of this year, compared with the same period in 1952. The 1,047,000 crimes at the mid-year point of 1953 represented a 9 percent increase over the 1951 semi-annual figures. Victims of killers in this country numbered 6,470 while over 54,000 other individuals were feloniously assaulted by rapists or potential killers. Over 29,000 victims were confronted by robbers using guns, or other weapons, or force. This report, anything but encouraging, has been released by J. Edgar Hoover, Director, Federal Bureau of Investigation, Washington, D. C. It surely points up to the fulfillment of the endtime prophecy in II Timothy 3:13, "Evil men . . . shall wax worse and worse."

TWO MINUTES TO MIDNIGHT

The announcement by the Soviet Government that it had exploded a hydrogen bomb, and the admission by the Atomic Energy Commission that an atomic test involving both fission and thermonuclear reactions had been detected, has caused the editors of the Bulletin of the Atomic Scientists to move the hands of the world's nuclear time clock ahead another minute. It is now 2 MINUTES TO MIDNIGHT, on the clock appearing on the cover of the September issue of the Bulletin.

Ralph E. Lapp, noted authority and adviser on matters of atomic energy, writing in the September issue of the Bulletin, says: "What scientists have dreaded since 1945 has come to pass. Eight years after Hiroshima the world finds itself in the death grips of an

atomic arms race. While the United States, in its decade of atomic arming, has stockpiled "A-bombs" numbered in the thousands, this does not and cannot obscure the immense significance of the Soviet atomic arsenal. We find ourselves paired off with an aggressor nation that possesses some hundreds of atomic weapons. What is more, the Soviets have made it clear that they will match our pace of weapon development—including the hydrogen or fusion bomb. This apparently irreversible situation is precisely the one whose prospect led to the founding of the Bulletin.

"Those of us who have seen in the pages of this magazine a means for public enlightenment on the all-important matter of the atomic arms race have endorsed free and open discussion of the momentous issues as the basic instrument for alerting both our countrymen and our government. Yet, as the Paul Reveres of the postwar period, we have not met with overwhelming success. And as the hands of the clock creep closer to the midnight hour—the black point of history—we find the countryside fast asleep. Only a few can be aroused." The words of this atomic authority remind us of the words of Jesus: "While the bridegroom tarried, they all slumbered and slept." Matthew 25:5. This is a sign of the last days.

A TIME OF REVOLUTION

"We must remember that all our plans must realistically take account—not just this year but every year—of colossal and continuing technological change. We are living in a time of revolution in military science. Today twenty-five aircraft equipped with modern weapons can in a single

attack visit upon an enemy as much explosive violence as was hurled at Germany by our entire air effort throughout four years of World War II." This startling statement made by President Eisenhower a few months ago should cause students of Bible prophecy to realize that while diplomats today are sitting at the conference tables and crying "peace and safety" it would only take a few hours to bring "sudden destruction" upon the world. See I Thessalonians 5:3.

RUSSIAN UNCERTAINTY

A truce has muffled the guns and halted the patrols in Korea. The fighting and the suffering and the dying have stopped. Whether one believes the United Nations and the United States have "won" the war by showing the world that they will halt evil, wherever it sprouts, or whether he believes the U. N. and the U. S. have "lost" it by not driving the enemy into Manchuria and unifying Korea, he is profoundly grateful at least, for the fact that the young men on a far off peninsula are through with shedding blood.

But are they through for good? Will they—or other young men have to resume combat? No one knows; no one, that is, except the Communist rulers inside the Kremlin and their sub-bosses in China and North Korea. If the Red gangsters want peace, there shall be peace. If they want war, there shall be war.

Every time the spokesman of Russia, whoever he may be, opens his mouth at the U. N. he gives additional proof that the Kremlin has no desire or intention to come to any agreement for peace except on its own terms. Russia's idea of atomic disarmament, for example, is an agreement among the major powers to destroy all their atomic weapons and ammunition, but not to let any check be made of its own compliance. Its record of default in agreements with its former allies is conclusive evidence that it makes promises only to break them in its own interest.

Therefore, the only certainty stemming from the cease-fire agreed on at Panmunjom is uncertainty. This situation only serves to increase the "distress of nations, with perplexity," as prophesied by Jesus, as a sign of the endtime. Luke 21:25.

out the Seventy to preach that the kingdom of heaven was at hand. God appointed to Moses, seventy elders to assist him in his work of administration. Seventy is a Bible number of completeness.

IS THE 70TH JUBILEE AT HAND?

How do we know that the 70th Jubilee is at hand? According to secular chronology (see Scofield Bible), Israel entered into the land in the year 1451 B.C. A little computation shows that, according to this secular chronology, the Seventieth

Jubilee would occur in the year 1980 A.D. However, Bible Chronology has an earlier year for the entrance of the children of Israel into Canaan. It gives this event as occurring in the year 1477 B.C.

According to Bible reckoning, the Seventieth Jubilee will begin in the year 1954-55! The 49 years which follow the Seventieth Jubilee would thus end in the year 2003 A.D. We have always cautioned against setting dates for the coming of the Lord, but is it too much to believe that His return will be sometime during this period? Actually other developments crowding swiftly upon us seem to indi-

cate that Christ's Coming must take place long before the turn of the Twenty-first century; therefore, we are comforted by His words in Matthew 24:22—

"Except those days be shortened, no flesh should be saved; but for the elect's sake, those days shall be shortened."

Surely these things that are transpiring are of such a solemn nature that every thinking man and woman must recognize the supreme importance of being personally ready for this great event—THE SECOND COMING OF JESUS CHRIST BACK TO THIS WORLD!
